

# The Tibetan Bön Religion and the Construction of an Alternative National Identity

Per Kværne (University of Oslo)

Thursday, February 2, 4:30 pm

Celetná 20, room no. 427

The substance of this talk would be the concept of a "Zhangzhung kingdom" the existence of which I will question. It has nevertheless become a key issue in the construction of a "Bön" Tibetan nation identity, and seems to be taken for granted by others as well.
